## There's a Reason!

Why Mike Brown is selling so many Buggies, and the reason is that he sells the best Buggies made, tells the truth about them and stands behind and makes good all he promises. His motto is a

### PILE SUFFERERS!

#### Do You Know These Facts?

The cause of piles is internal. Stagnant circulation in the lower bowel. Piles can't be thoroughly cured by outward treatment.

An internal remedy is needed to cure the cause.

Send for our booklet, "How Piles Can be Cured by Internal Medicine," or talk with J. James Wood & Son, Maysville, Ky., who sell Dr. Leonhardt's Hem-Roid at \$1 per bottle, and guarantee it to cure.

### FOUND DEAD

**At the Switch—Edward Starrett Meets An Untimely Death**

This morning about 6 o'clock Track Walker Kidder found the dead body of Edward Starrett lying between the main and side tracks of the C. and O. at Broseha Station.

There were no blood or bruises of any kind on the man's body other than the fatal injury—the side of his head was caved in. A quart bottle of whisky, partly emptied, tells a story of its own.

This is same fellow that lost an arm by accident, while asleep on the track, several years ago. In this instance it is thought that he fell and crushed his head against a railroad tie.

Owing to the splendid business we have enjoyed this far in Spring Clothes we were in a position to close out a beautiful line of Suits from one of the best manufacturers in the country. "Spot Cash" was the inducement that enabled us to secure a lot of

## HANDSOME SUITS AT HALF PRICE.

It seems early to take such radical action among these fine suits but doing such a large business in such a small space demands treatment that would be unnecessary if we were not so hampered for room. The constant new arrivals are insistent in their demands for a showing, so Half Price marks our entire stock of Women's Suits. Isn't that a statement to fire your interest?

At these great price reductions a small charge will be made for alterations.

Small chance to be unsuited in this stock. The newest and prettiest helps toward window draping we've ever gathered await you. The costs are surprisingly little. Investigate.

Senator Bradley waked up the Senate yesterday when he delivered an eloquent speech, exposing the work of the Tobacco Trust. He wants the five-cent tax moved from leaf tobacco.

After reviewing the growth of the American Tobacco Company, Mr. Bradley said that, not content with destroying all competition in the United States, this concern drove the Imperial Tobacco Company of Great Britain, its chief competitor, to a compromise, and obtained an agreement by which the Imperial yielded up all competition in the United States. While denouncing the night rider outrages, Mr. Bradley declared that the tobacco leaf growers were so sorely pressed that they were forced to combine to protect themselves, and that the crimes which resulted were due to the Trust's oppression.

## FOURTH OF JULY

A Few Timely Suggestions—Put Your Shoulder to the Wheel and Help a Good Thing Along

Ye dreamers, wake up and turn over.

Instead of everybody leaving here to attend some kind of a celebration in nearby towns, what's the matter with keeping them home and with but very little effort bring in a few strangers? It won't hurt any one.

A list of a few things that could be done at very little expense: Our folks own quite a few gasoline launches. There will be others that will come. A regatta on the river is something out of the ordinary and will bring the people in. Fireworks at night at the river. Baseball in the afternoon for those that are fond of the great American sport. These things are only suggested.

We are living in the best town on the Ohio river, and why not let the outside world know it is the best?

The proper way to get up this thing is for a number of young fellows who are for the Old Town to get together and as a committee see the merchants. They have never yet refused to come across; and whatever you do, give the people a run for their money.

Now is the time to set the machinery in motion. It will be only a few days until the 4th. Plenty of newspaper ink will help out mightily.

## Keeps Bowels Open; Free

There is no function of the human body so important as keeping the bowels open. Upon the condition of the bowels, more than upon any other one thing, depends the health and well-being of the entire system. There is scarcely a sickness that has not got constipation and stomach trouble complicated with it. It is at the bottom of most of the serious diseases of life.

Every grown up human being ought to have at least one full and easy evacuation of the bowels every 24 hours. But unfortunately there are thousands who do not get this. No matter what is the nature or cause of their constipation, and no matter how chronic and long-standing it is, they will not find a better cure than the well-known Dr. Caldwell's Syrup Pepsin. So confident are the dispensers of this wonderful laxative that it will cure any case of constipation in young or old, that they will send a free test bottle to anyone who sends name and address to Dr. Caldwell.

The sample will do for any constipated person what it did for Mrs. W. D. Fuller, of Eaton Rapids, Mich., for Mr. J. F. Edwards, of Lebanon, Tenn., and a host of others in all sections of the country. After having used the sample they will do as Mrs. Fuller and Mr. Edwards did, which is to go to the nearest drug store and buy a regular bottle, which costs 50 cents or \$1, according to the size. Dr. Caldwell's Syrup Pepsin is not a tablet or powder, but a liquid laxative tonic, which is what a good constipation remedy should be. Thousands, who once sent for the free test bottle, now have Dr. Caldwell's Syrup Pepsin regularly in the house. It is the most solvent blending of laxative ingredients ever put before the world.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 507 Caldwell Bldg., Monticello, Ill.

Not Sisters

Now and again you see two women passing down the street who look like sisters. You are astonished to learn that they are mother and daughter, and you realize that a woman at forty or forty-five ought to be at her finest and fairest. Why isn't it so?

The general health of woman is so intimately associated with the local health of the essentially feminine organs that there can be no red cheeks and round form where there is female weakness.

Women who have suffered from this trouble have found prompt relief and cure in the use of Dr. Pierce's Favorite Prescription. It gives vigor and vitality to the organs of womanhood. It clears the complexion, brightens the eyes and reddens the cheeks.

No alcohol, or habit-forming drugs is contained in "Favorite Prescription." Any sick woman may consult Dr. Pierce by letter, free. Every letter is held as sacredly confidential, and answered in a plain envelope. Address: World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

NATURE SPARES

The Stricken Rose From Grief.

What a fortunate provision of nature it is, that deprives the rose of mental suffering; for how poignant would be its grief to discover, in the height of its blooming glory, that a canker fed at its heart, and that its beauty and fragrance were doomed forever. Nature always spares the suffering; she is a veritable store-house of pleasing rewards, for those who seek her aid. In the years gone by falling hair and grayness have cast a gloom over the faces of thousands of young women, but thanks to the investigations of scientists the true cause of hair destruction is now known to be a germ or parasite that burrows into the hair follicles. Newbro's Herpicide absolutely destroys this germ, thus permitting the hair to grow as nature intended. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich. \$1 Bottles Guaranteed.

The readers of this paper will be pleased to learn that there is at least one disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for anyone that it fails to cure. Send for list of testimonials.

Home-Grown Strawberries

Now coming. My supplies will come direct from the growers by express and will be on sale here on same days they are picked. Will be sold WHOLE-SALE and RETAIL in full-size cups just as they come from the patches and will be as heretofore—the best that come to this market. The long-protracted drouth last year killed out many of the patches and the crop will be short, and my advice to those who want berries is to not put off securing what they may want. I am expecting some very fine berries, so place your orders with me and I will guarantee satisfaction.

My supplies of vegetables are now principally HOME GROWN and I am in position to at all times furnish the best and the freshest. Flour is still booming. This week I am going to offer the Famous

Perfection FLOUR \$7.50 Per Barrel

and at that I am still under the market. Just received my last shipment of FANCY OLD POTATOES from the North for both table and planting purposes.

Cut prices on all CANNED GOODS continues, so come right along and save money and at the same time get the best. Everything fresh and firstclass. Phone 83.
